Our club's mission is to build the hearts, minds, and bodies of young people through competitive volleyball in the mid-Atlantic. We are committed to coaching players to the best of our ability during the club season and in the off-season. We hope that you will take advantage of the opportunity to participate in our summer camps/clinics. These camps are designed to take your game to the next level by increasing your skill base, your physical/mental strength, and your knowledge of the game.

Revolution Volleyball Club is under the direction of Dan LaBonte. We have 12 teams located throughout PA. We have had 97 players go on to compete at the collegiate level - including Penn State, Iowa State, Colorado State, and more.
