

REVOLUTION VOLLEYBALL CLUB

Spring Grove 2023

WELCOME TO REVOLUTION

Revolution enters this season with momentum and excitement from our historic 2022 season. Six (6) teams qualified for USAV Nationals and growth was shown in all of our teams. There is a true purpose for your daughter in being part of Revolution. We will work together with the players, families, and coaches to help your daughter become all that she was created to be - on the volleyball court, in your home, in her school, and in the community.

Sincerely – Dan LaBonte, Club Director, Revolution Volleyball Club

REVOLUTION HISTORY

Mike Schall, Sarah Schall and Dan LaBonte established Revolution Volleyball Club in 2007 in Chambersburg, PA. Mike was a four-year member of the men's volleyball team at Penn State. Following graduation, he was an assistant coach on the women's team for 18 seasons. Sarah graduated from Lock Haven as the 3-time conference player of the year on the women's volleyball team. Following the birth of their 3rd child, Mike and Sarah relocated to Chambersburg, PA to focus on their family. In the summer of 2007, current club director, Dan LaBonte, had left his previous club after leading their 18's team to a top 25 national ranking. With the desire to continue coaching, the Schalls and Dan created Revolution Volleyball Club. Their mission was to revolutionize youth volleyball in creating an organization that fostered an atmosphere of growth, self-confidence, community and purpose for all members of the club.

In 2011, the Schall family moved to North Carolina and Dan continued leadership of the club. In 2012, Revolution had grown to 35 teams in 4 locations across the state. In an effort to maintain the purpose, vision and mission of the club, Revolution chose to focus on the three present locations, Chambersburg (2007), Pittsburgh (2016) and Spring Grove (2021). Revolution enters its 16th Season in 2023.

COLLEGE RECRUITMENT NETWORK

“I’ve known Dan (Rev Director) for about 15 years, and from the moment we met, it was clear that he was someone that was fully committed to the sport of volleyball and the athletes that he served. He is a consummate professional, always looking for ways to improve and become a better coach; attending coaching clinics and seminars on a regular basis. Dan possess a unique combination of compassion, knowledge, and drive, and within those qualities lies a coach that empowers his athletes, encourages their growth, and helps them be the absolute best they can be both on and off the court.”

Salima Rockwell

- Notre Dame Women’s Volleyball Head Coach
- Former Penn State Women’s Volleyball Associate Head Coach
- Former Texas Women’s Assistant Volleyball Coach

COLLEGE RECRUITMENT NETWORK

“I’ve know and worked with Dan for the past fifteen years in my capacity as a head volleyball coach and in his positions as coach/director at Revolution VBC. During that time my staffs at Navy and previously at Juniata College came to recognize Dan as one of the top young influences, teachers and tacticians in the game. And after coaching four of his former athletes, I know that he is a person who gains immense respect from his athletes. He is well connected to many of the top USAV Club coaches, coordinators, owners and directors by virtue of his involvement with Revolution, now one of the preeminent clubs in the east. He has an infectious personality that leads itself to establishing strong relationships.”

Larry Bock

- Retired United States Naval Academy Head Volleyball Coach
- Former Juniata College Head Volleyball Coach

REVOLUTION EXPERIENCE

“ I cannot express how thankful I am for the opportunity to play for Revolution Volleyball Club. I was able to compete against some of the best clubs in the country. Weekley I was pushed outside of my comfort zone, to become the best volleyball player and leader I could be. One of my favorite things about Revolution was the intentionality by the director and coaches to foster a family like community throughout the entire club.”

Suzanne Horner

- Revolution Alumni 2013
- Former Professional International Player
- Iowa State 2013 - 2016: NCAA D1

REVOLUTION EXPERIENCE

“I loved the competitive yet compassionate atmosphere at Revolution. The coaches kept the level of play high to prepare us against the best teams nationally. They emphasized the importance of mental toughness, grit and hard work during training.”

Abigail Bentz

- Revolution Alumni 2015
- Big 10 Medal of Honor Recipient
- University of Maryland 2015 - 2018: NCAA D1

REVOLUTION EXPERIENCE

“If it wasn’t for Revolution, I wouldn’t be playing D1 volleyball today. The coaches are so intelligent about the game of volleyball and have so many great connections that allow players to network and achieve their ultimate goal. This program completely changed me as a player, and I couldn’t be more grateful for the opportunity to play for such a great club.”

Kiera Booth

- Revolution Alumni 2020
- Under Armour & AAU All-American
- Villanova University 2020 - present: NCAA D1
